High Performance Redefined

The test of a first-rate intelligence is the ability to hold two opposed ideas in mind at the same time and still retain the ability to function.

F. Scott Fitzgerald

Why Agile?

© 2017 @MichaelSahota

agilitrix

High Performance Redefined

Do you see Agile is
not the Goal?

Do you see how
Agile can help?

Goal is to Serve the
Organizational Purpose

EVOLUTIONARY
PURPOSE

~~Agile Initiative~~

Serve

Organizational Purpose

“Now that we agree what is important,
we can see that **Agile is not a goal.**

**We are not seeking to Do Agile or Be
Agile.**

**Of course we will likely use Agile to
help us achieve organizational goals.”**

- Michael Sahota, Organizational
Growth Guide

A black and white close-up photograph of Albert Einstein. He has his characteristic wild, white hair and a mustache. He is looking slightly to the right of the camera with a thoughtful expression. His hands are clasped together in front of him, with his fingers interlaced. The lighting is dramatic, highlighting the texture of his hair and the lines on his face.

**“PERFECTION OF MEANS AND CONFUSION OF
ENDS SEEM TO CHARACTERIZE OUR AGE.”**

ALBERT EINSTEIN

Culture?

“If you do not manage culture,
it manages you, and you may
not even be aware of the
extent to which this is
happening.”

– Edgar Schein
Professor MIT Sloan
School of Management

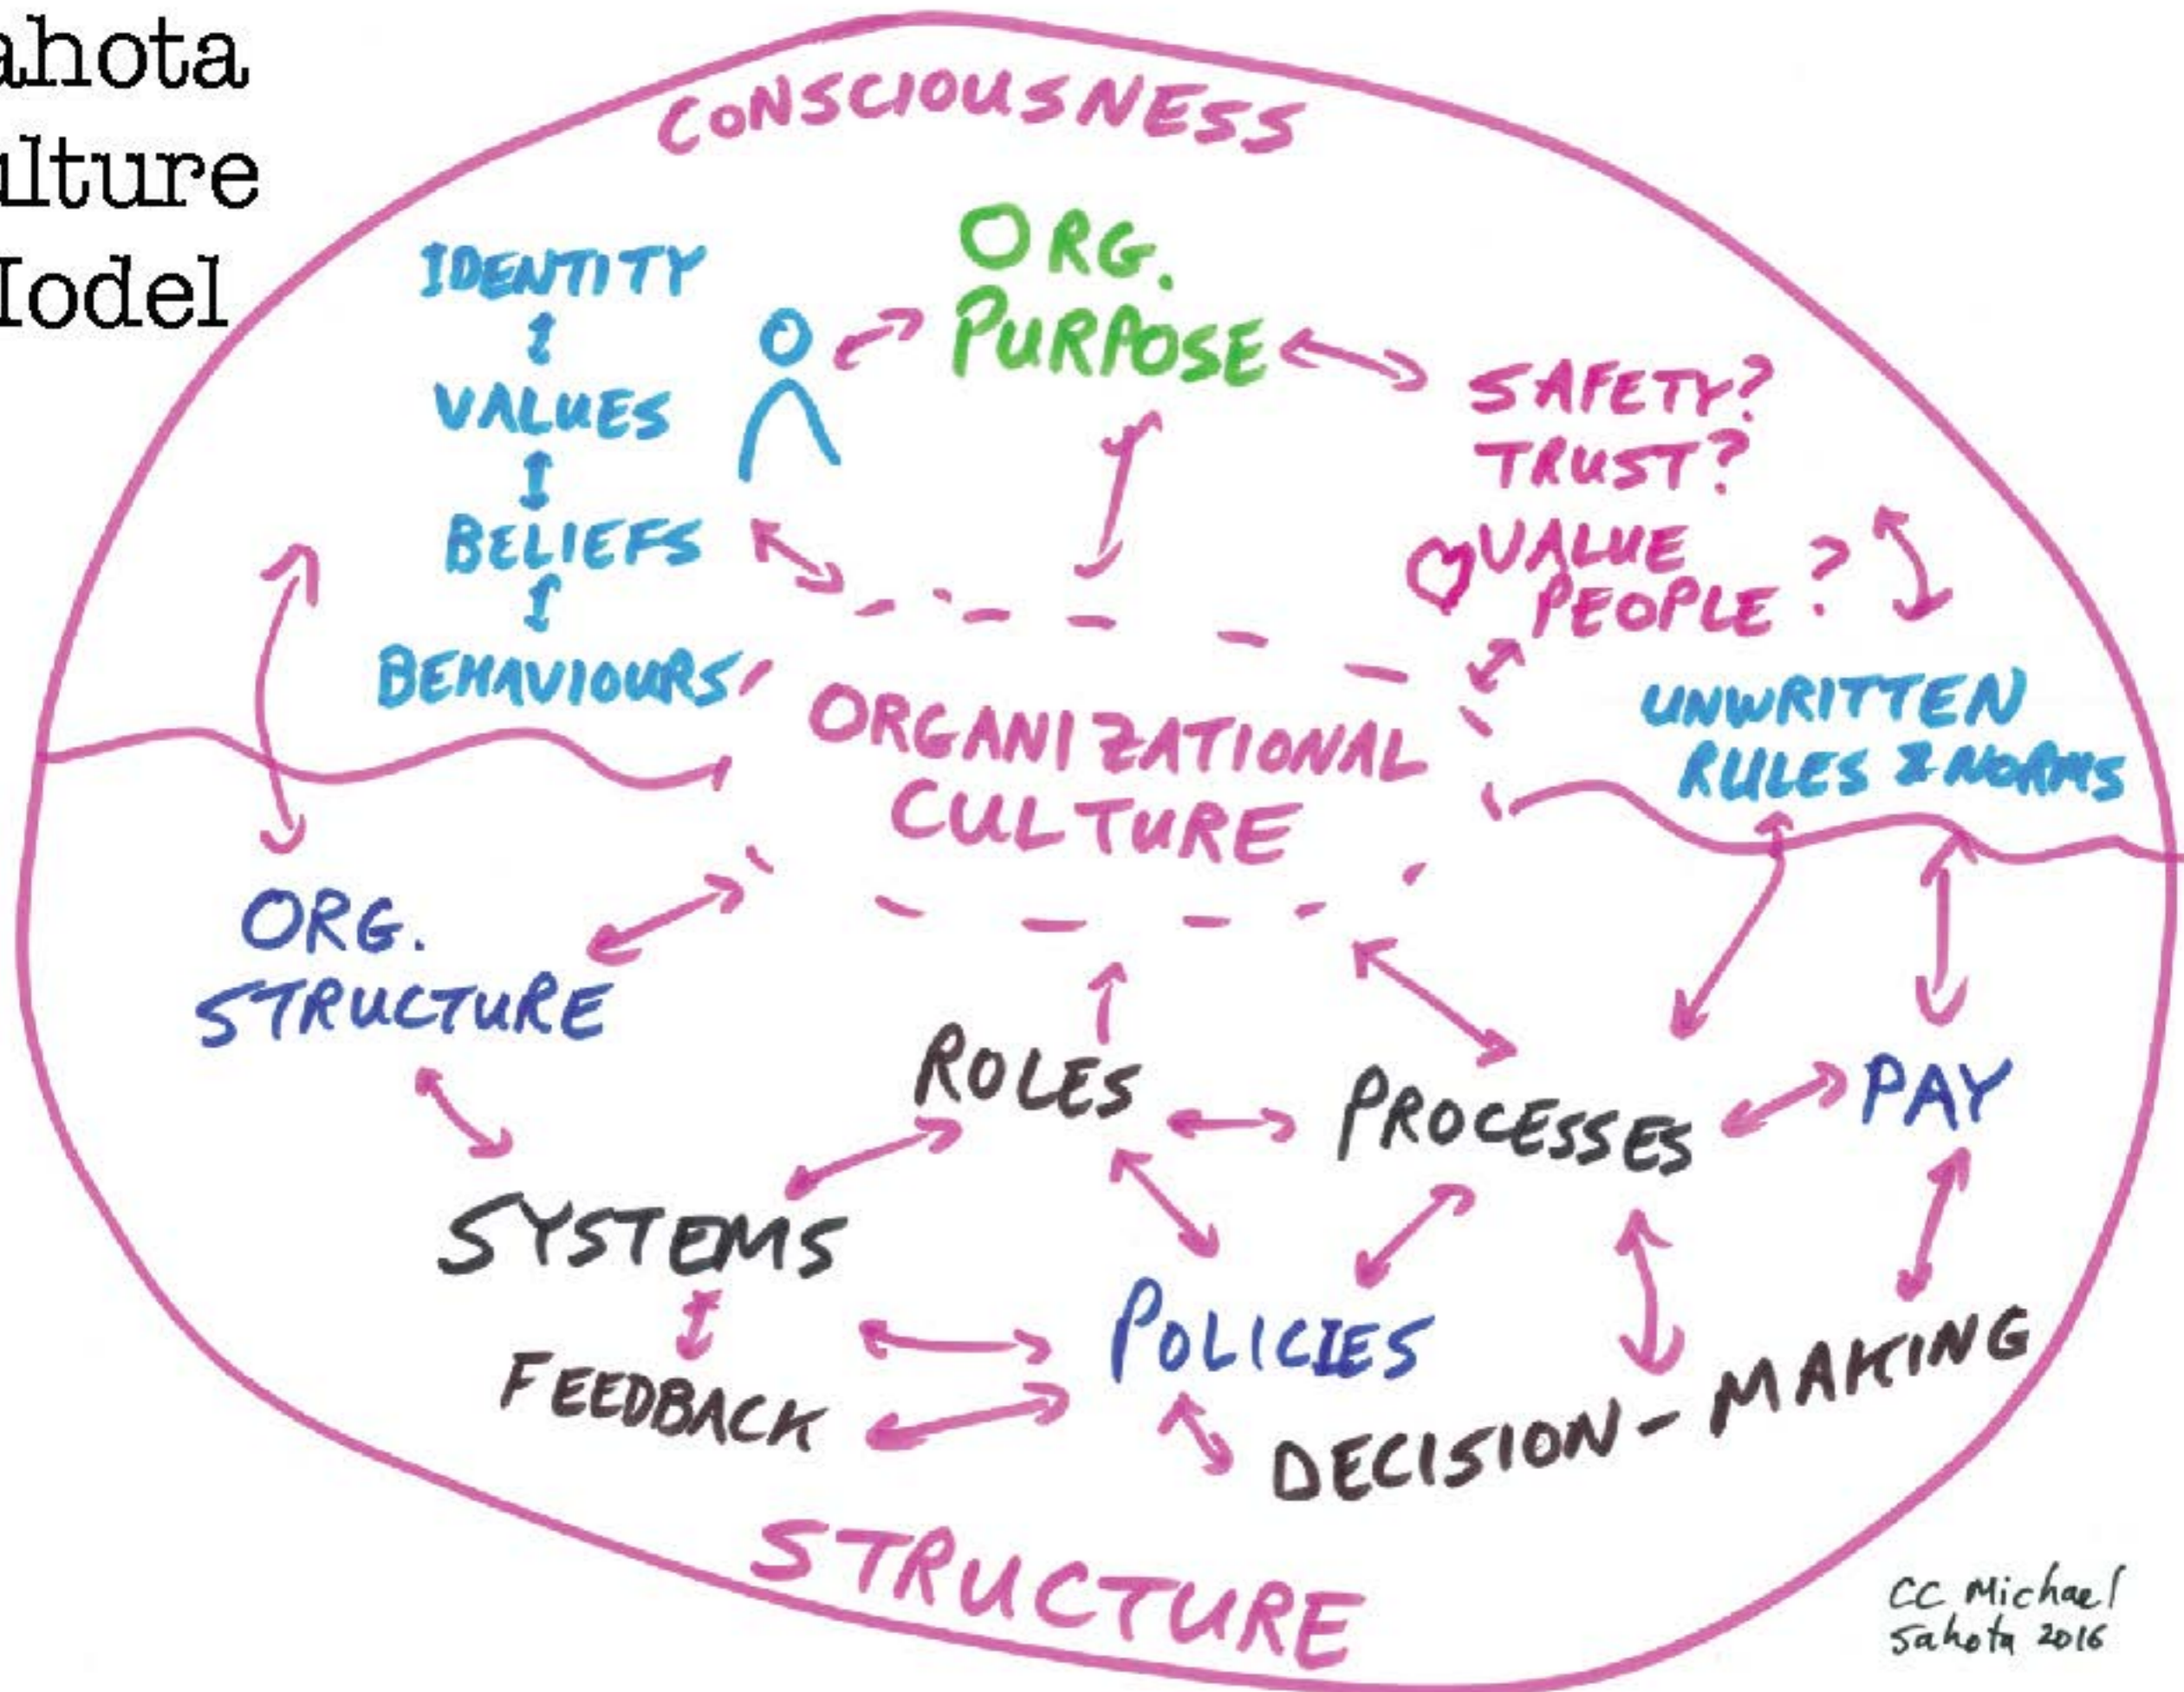

“I came to see, in my time at IBM, that culture isn't just one aspect of the game, it is the game.”

Lou Gerstner.
Chairman, IBM
